Dearest Gary,

I don't know exactly where to begin, because I have so much to tell you in so little room, but I do want you to know I'm very, very proud of you, not just because of your marvelous talent, but also because you always go one step further than you've asked or one more lap than you've told. You're the most wonderful, most understanding boy I've ever known. I'll never forget all the grand times we've had together - I enjoy your company more than you'll ever know. I've enjoyed this year more than any other I've ever had -- for one reason: you Gary. I'll treasure all of our marvelous memories the rest of my life. (I could never forget the Senior Prom) There are no words to tell you how I feel about going with you. It's just -- -- great, Baby! I'll never forget you, Gerene, because that's the last thing in the world I want to do. You've got what it takes! I love you - Always! I'll miss you most of all. Terri (Gerene!)

Dear Gary:
you have added a great deal to our English class. What a catastrophe! but at least you kept it from becoming dull. Good-luck and may you have great happiness.

1962

Sandy

Dear Gary:
I'm sorry the past few years haven't been too kind to you. I remember how you used encouraging you when I was ... Thanks for everything. Terri is a very lucky girl.
Good Luck & Happiness always.
Richard Harper

Gary,
You're a very cute and sweet boy. I wish you and Terri all the luck and happiness in the world.
Linda Mae

Gary,
I've enjoyed the way
I have enjoyed the years of school together. I don't know what to say except I hope you succeed as a P.E. coach. Good Luck.
Richard F. Haygood

Gary,
We finally made it through these 12 years, aren't you happy? Be happy always. Love and Best Wishes,
Analynn

Dear AHS:

This is your 1962 PORKER. We hope that you enjoy it as much as we have enjoyed putting it together.

The memories of the good times, and maybe even the bad times, have been captured in snapshots. We hope you will remember all these things when you look at your annual a few years from now.

Without the help of the staff, and most of all, Mrs. Bjork, we would not have had an annual at all. We want to thank these and also the principal, teachers, and students who co-operated with us.

We've said enough! Now enjoy your PORKER.

Sincerely yours,
PORKER EDITORS

National Merit Scholarship Finalists

Catherine English

Melvin Gray

Scholarship can be shown at Arkansas High School in many ways. The National Merit Scholarship Corporation administers a program which shows it not only locally but also nationally. The NMSC accomplishes this by giving a test, nation-wide, to juniors in the spring. This test forms the basis for those students attaining an exceptionally high grade to receive a scholarship applicable to any college in the United States.

Two students here scored high enough on the test to become semi-finalists and then finalists. They were Catherine English and Melvin Gray. Their scores in the 99th percentile enabled them to advance this far. Corroborating scores on the Scholastic aptitude test and a long information form are used by the NMSC to determine the recipients of scholarships given to only the top 2/3 of the top 1% of the seniors in the nation.

The annual staff wishes to express its congratulations to Catherine and Melvin in addition to the best of luck (from intelligence) to those who will take the test in the future. The ones who qualify deserve the honor.

I'll just say -
Good luck.
